Letter from our President

Hello Chamber Member. August welcomes the Macon County Fair and the return of our most precious individuals, children and teachers, back to school. Over the summer the Chamber was fortunate to have Brooklyn Driver interning. As she winds down her time with us before returning to school, i just want to extend a heartfelt thank you for the work she accomplished for the Macon County Chamber and the businesses it effected. Mark your calendar, we are planning our next luncheon for Tuesday, September 28th from noon to 1 p.m. Keep an eye on our social media or website for further events. The Chamber Board thanks you for your support and we are honored to be representing you!!!

Spotlight on Success

My name is Tabatha Wooten Dias, I was born and raised right here in Macon County, I am married to Steve Dias and I am a member of Friendship Missionary Baptist Church. I have 1 daughter, 2 boys, 1 step son, 2 granddaughters and one on the way. After 21 years in the medical field, I needed a career change so I purchased Lafayette Florist in 2019. We have tried to trace back to the first owner which was Miss Minnie Johnson. And if we have the date correct Lafayette Florist has been in business about 80 years this year.

We are a full-service florist. We specialize in live flowers, silk flowers, memorial flowers and wedding flowers. We also have sympathy items, home décor, a great selection of jewelry, purses, and crossroads candles. We also carry "A Farmers Wife" products along with the Roosters Crow coffee and Janis Dooley's "Terra Bella" products.

Customer service is a top priority for us I want every single person that comes in our door to feel as if they are family to us. We feel very privileged when a family comes in and wants us to do their loved one's final flower arrangements. We try our best to make every arrangement special and personal to the family. We love when things are brought in and we are able to incorporate a little something special into the flowers. I think it puts a unique touch and makes it more meaningful to the loved ones left behind. We have put everything in flowers from turkey feathers to a lineman's tool belt. I feel we go above and beyond for our customers. If we don't have the flowers, you are looking for in stock, provided we have enough notice I can usually get them the next day or so. If you have not tried Lafayette Florist, come by and see us. We would love to have your business and we will do whatever we can to make your experience with us the best. I truly feel blessed to have each and every customer use our small business. I am huge supporter of small business and I am blessed to be a part of the small business family.
