Magic with a Message:

This presentation marries the wonder of magic with an inspirational, motivational or spiritual message tailored to your needs. Perfect for any event where a relevant message is delivered with quality entertainment.

Mark Melhus
 Founder and Director
 Melhus Management Company

"The reviews are in, without exception, tremendous. Thank you for the "magical" performance at our post-holiday party. From the start, your love of the craft was obvious, as was your ability to capture, hold and include the audience throughout. What was anticipated or apparent proved otherwise, and when you offered to teach us a trick because of the apparent simplicity of card-trick dots on cards, everyone bit - and yet no one knows how you did it! Was it the mystery of the cards, quickness of hand? No doubt both! And by the time you asked if anyone had a \$100 bill... I knew better. It was time to be silent. I cannot imagine the countless hours, but the enjoyment was obvious. Thank you for making the evening special. You clearly have the skill, and an even greater gift of embracing and allowing your audience to participate in the performance."

Vitalia Bryn-Pundyk/ M.Ed./DTM

 SpeakerBz Institute, LLC - The School for Speaker Success

"Stephen Shamer was the featured keynote speaker at our 1st annual SpeakerBz Showcase Graduation Celebration. His keynote, "Magic With a Message," educated, entertained, and engaged our audience involving them throughout his AWESOME presentation! Building instant rapport, his masterfully crafted message inspired our students to continue to have a positive attitude, pursue their dreams, and achieve their goals. Thought-provoking, motivating, GREAT FUN! Stephen invites audiences to not only hear his powerful message but experience it as well!"
